FUNDING AGREEMENT BETWEEN THE CITY OF MEMPHIS AND THE MEMPHIS SHELBY CRIME COMMISSION

THIS AGREEMENT (the "Agreement") is made and entered into this ____ day of February 2017, by and between the City of Memphis, Tennessee, acting through the Division of Police Services, (hereinafter "City" or "MPD"), and the Memphis Shelby Crime Commission (hereinafter "MSCC"), a non-profit corporation of the State of Tennessee.

WHEREAS, the City is interested in recruiting and retaining experienced and qualified Memphis Division of Police Services (hereinafter sometimes "MPD") personnel; and

WHEREAS, the City would like to facilitate its goal of recruiting and retaining experienced and qualified MPD personnel by developing targeted recruitment and retention strategies for qualified MPD personnel; and

WHEREAS, the MSCC spearheads the Memphis and Shelby County crime reduction plan known as Operation: Safe Community 3 ("OSC 3"), which prioritizes as Objective B1 to "Clarify and resolve shortages in law enforcement staffing"; and

WHEREAS, the MSCC, is pleased to award a grant to MPD for the purpose of recruiting and retaining commissioned officers ("Grant"); and

WHEREAS, the parties desire to set forth more specifically herein the terms and conditions which shall govern the award of the Grant;

NOW, THEREFORE, in consideration of the recitals set forth above and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and MSCC hereby agree as follows:

1. PROJECT DESCRIPTION

- 1.01. In order to resolve existing critical shortages in law enforcement staffing at MPD, and consistent with Operation Safe Community Three ("OSC 3") objective B1, MSCC hereby agrees to grant the City a total of Six Million, One Hundred Thousand Dollars (\$6,100,000.00) over a four-year period, to be disbursed to MPD as follows:

- Year 1: \$1.6 Million
- Year 2: \$1.33 Million
- Year 3: \$1.5 Million
- Year 4: \$1.67 Million

1.02. The City of Memphis Division of Human Resources will partner with MPD to develop and deploy recruitment strategies that will better meet the immediate recruitment needs for police officers and will develop data-driven, targeted retention strategies to retain qualified officers. These strategies include: funding for third-party vendors to support best practice recruitment processes; enhanced referral bonuses; funding for targeted retention bonuses to be paid in exchange for a commitment of service as determined by data; and funding for force multiplier programs that enhance police effectiveness.

1.03. The City's progress in meeting its goals of recruiting and retaining qualified MPD personnel will be measured by the following benchmarks:

2017:

- graduate 200 police recruits
- graduate 25 public safety dispatchers
- graduate 100 police services technicians
- reduce attrition (loss of officers not due to retirement or disability) to fewer than 115 officers annually

2018:

- graduate 200 police recruits
- graduate 25 public safety dispatchers
- graduate 100 police services technicians
- reduce attrition (loss of officers not due to retirement or disability) to fewer than 115 officers annually

2019:

- graduate 200 police recruits
- graduate 100 police services technicians
- maintain full complement of public safety dispatchers
- reduce attrition (loss of officers not due to retirement or disability) to fewer than 110 officers annually

2020:

- graduate 110 police recruits
- graduate 100 police services technicians
- maintain full complement of commissioned police officers
- maintain full complement of public safety dispatchers
- reduce attrition (loss of officers not due to retirement or disability) to fewer than 110 officers annually

1.04. The parties agree that this is a one-time investment to accelerate MPD recruiting and retention success, that the investment is not contingent on the City attaining its goals, and that the City shall be responsible for sustaining complement after the term of the Grant expires. The inability to meet a goal is not grounds for revocation of the grant.
